

Colorado Eagles Photography Internship

Internship Duties:

Six (6) junior or senior collegiate level students w/ previous photography experience needed to shoot live hockey games and events. Internship to include 35-40 games, plus playoffs (up to 16 games) **divided amongst all interns**. Approximate hours per week between 0 - 8, variable to game dates and a shared workload. We realize students may also have outside obligations and priorities in addition to their school work, we are **WILLING TO WORK AROUND SCHOOL AND WORK SCHEDULES**. Applicant required to have their own photography equipment – **DIGITAL SLR only**. Images will be required digitally and will be used in both the graphics department and media relations department. This is a great opportunity for students to gain invaluable experience toward a career in professional sports. Internships are for class credit only.

The ideal candidate will:

- Posses a strong willingness to learn and a positive attitude to go above and beyond the internship duties
- Shoot live “professional” game action
- Document corporate fulfillment – banners, dashers, signage, intermission contests
- Be an on-ice photographer for any celebration/presentation events, such as awards, etc. - this season the Eagles will host the 2013 ECHL All-Star Game
- Get the chance for their work to be published in a newspaper or an Eagles publication, such as game program, tickets, billboards etc.
- Document optional off-ice events including appearances and the Eagles Dance Team, etc.
- Meet other professional photographers and photo-journalists at the games

Typical game night:

Arrive at the Budweiser Events Center at 6:00 for a 7:05 game. Pick up your assignment. Shoot any game night giveaways or promotions, head down to ice level and set up to shoot the game. Following the game, upload your images to our online FTP or Dropbox so that our media members can access your photos after the game.

How to apply – Please call or submit correspondence to:

DEADLINE TO APPLY: SEPTEMBER 28, 2012
